

## Empower Women

Women Leading Philanthropy (WLP) is a group of women whose donations will fund innovative health-care initiatives led by female physicians, practitioners and researchers at Royal University Hospital. The goal of WLP is to inspire transformative advancements in health care, while furthering women's leadership and philanthropy in health care.

Women empowering women to achieve better health – together – for everyone.

## \$100,000 Awarded

WLP Donors have already awarded grants to well-deserved applicants who provided a compelling case for how their projects will improve practice and transform care for women and their families. Help us award the next \$100K Grant!
