Royal University Hospital Foundation Community Mental Health Endowment Grant

Thanks to the generosity of donors, the Royal University Hospital (RUH) Foundation is able to grant \$85,000 in funding from the Community Mental Health Endowment (CMHE) Grants Program. CMHE Grants provide funding that help develop new and innovative programming for patients/consumers and their families as well as enhances and/or bridges services provided by SHA, U of S and Community Based Organizations (CBO). CMHE Grants are for pilot projects or programs that have no other funding and have a proven record of impact and typically would not receive funding from capital or operating budgets.

The CMHE Grant application is now available with an **October 28, 2020** deadline. Funding will be for the fiscal period **April 1, 2021 to March 31, 2022**. All of the funding awarded to the successful applicants must be used before March 31, 2022. A hold back of 10% of the grant will be released upon approval of the final report and expense summary. The maximum grant request is \$25,000.

Financial Information – Operating Budget Projections

Short-Term: What are the costs for the initial 12 months of this project? (Be as accurate as possible, general estimates are not acceptable.)

Please note eligible versus non-eligible costs as outlined in the criteria document accompanying this application. Applications containing ineligible costs will not be considered without approval. Please ensure that all costs are clearly identified. Flat rates may apply for certain programs (i.e. art programs, music programs, community reintegration programs, etc.).

When requesting funds for purchase of furniture or equipment and the cost exceeds \$3,000 you should attempt to secure two quotes from vendors. SHA Material Management will provide quotes for SHA applications. Maximum grant request is \$25,000.

Partnerships: Priority will be given to programs that demonstrate cost-sharing or in kind partnerships. What partnership(s) have been considered in developing this initiative? Please describe the nature of the partnership and how this partnership will contribute to the successful implementation of this project (i.e., by reducing costs, sharing resources, etc.)

Describe how the Royal University Hospital Foundation Community Mental Health Endowment Grant will be recognized as a funder of this project:

To assist in our ongoing fundraising efforts, it is important that RUH Foundation's support be recognized. Please be specific in describing how this could be done for your program.

Briefly summarize how your project will impact patient/client/consumers if approved. What is the expected number of patient/client/consumers who will benefit?

If not approved, what will be the immediate and long-range impact?

Please indicate how the success of the program will be measured and evaluated?

Please describe how learning from this project will be transmitted and shared with other areas of SHA, MHAS, U of S, within your department or organization or in the community:

Please include a letter of support that will speak to why this project should receive funding.

Deadline: Grant application and supporting letter must be received by email to Royal University Hospital Foundation by close of business day:

4:00 p.m. Wednesday, October 28, 2020

Late applications will not be considered – there will be no exceptions.
