

It is with gratitude that we thank

Don and Marg Ravis

for their generous \$75,000 donation to establish the
Royal University Hospital Cardiac Care Endowment
made in honour of Dr. Paul Basran.

This holiday season, please consider joining the Ravis family
by making a donation to support cardiac care at
Royal University Hospital Foundation.

Your gift to the Royal University Hospital
Cardiac Care Endowment will help patients, their families
and RUH's medical teams NOW and in the FUTURE.

Thank you Don and Marg!
