

Volunteer opportunity

If you have some free time, are a retiree, new to Saskatoon, or are looking to give back to your community...

The Royal University Hospital Foundation Gift Shop is recruiting new volunteers to join our wonderful group of volunteers. Volunteers provide a friendly environment for customers. Besides providing excellent customer service, volunteers operate the cash register, sell lottery tickets, assist customers with their purchases and care for the overall look and feel of the Gift Shop. Training is provided. Revenue generated from the Gift Shop benefits patient care priorities at RUH.

If you want to do something different and have some free time to give to your community, are comfortable in a hospital environment, and enjoy working with and meeting people, then we have an exciting volunteer position for you. Shifts are morning or afternoon and are 4 hours weekly, bi weekly or monthly. While volunteering, parking is provided.

If you would like more information, contact the The Gift Shop manager, Lisa Gibson at 306.655.2623 or lisa.gibson@ruhf.org, or complete an application on the Saskatchewan Health Authority's website:

www.saskatoonhealthregion.ca/joinourteam/volunteer/Pages/Home.aspx.*

Today can be the beginning of a rewarding experience as a volunteer!

*** Please mark on your online application that you wish to volunteer at the Gift Shop.**
