LEARNING SHOULD NOT BE SO HARD!

In 2019, Royal University Hospital's Theatre in the Mall and Vivian K. Asher Theatre were both renovated thanks to your support! No longer will you find those hard uncomfortable seats that made learning so difficult—the spaces are now modern and technologically advanced. You can still be a part of the history of RUH by purchasing a seat in one (or both) of the theatres. It's a unique and thoughtful way to honour a friend, family member, colleague, group or company or to remember a loved one. The seat(s) will be randomly selected and will be personalized with a brushed aluminum name plaque.
