

(l-r) Lisa Korec, Director, Neurosciences, Saskatchewan Health Authority; Rachel Mielke, Women Leading Philanthropy Past Honourary Chair; Dr. Mary Kinloch, Women Leading Philanthropy Program Chair; Cheryl de Villiers, Director, Marketing and External Affairs, Saskatchewan Blue Cross; Jennifer Molloy, CEO, RUH Foundation

It is with gratitude that we thank

Saskatchewan Blue Cross

for their generous gift of \$50,000 to support the Integrated Wellness Program at Royal University Hospital!

Funds will assist Saskatchewan people living with epilepsy as well as their caregivers, offering education, social support and the removal of psychological barriers to promote healthy lifestyles while enhancing quality of life.

Thank you!
